Description

Casa Nova is a traditional eolian house nestled in the hills of Panarea Island. It boasts with stunning panoramic views on the Vulcano Stromboli, Panareas beautiful rocks of Dattilo and Basiluzzo and offers absolute tranquillity amongst olive trees in this Naturale reserve.

Casa Nova has two bedrooms, two bathrooms, a salotto with open fireplace, a kitchen and two terraces and a little garden.

Casa nova is in vicinity to Casa Cassiopea and therefore the houses can also be rented together for a larger group of families.

Inhouse living

area: 80 m²

Terrace: 50 m²
