Description

This light-flooded flat with panoramic views over Vienna is located in the elegant green district of Vienna. The first-class furnishings include 3 separate, quiet bedrooms, a new bathroom, 2 toilets, an anteroom, a new complete kitchen, a romantic stove in the living room and parquet floors. In total, 97 m² of living space plus 44 m² of terrace with a south-facing distant view invite you to feel at home. Furthermore, a cellar compartment is included for additional storage space and there are excellent parking facilities directly in front of the house. The flat is also very well connected to public transport (tram line 37 in close proximity, 10 minute walk to U4 Heiligenstadt).
